2010

LAKEWOOD MEN'S GOLF CLUB

MASTER CALENDAR

Welcome to the Lakewood Men's Golf Club (The Wood) for the 2010 year! We have, as always, a great number of super events planned over the next 12 months, and we've prepared this "master calendar" to help you know in advance what — and when — they are. Here are a few explanatory notes:

1. Our **Regular Monthly** events are just what they sound like — once a month we hold a tournament at The Wood of varying formats. These are for members only, with the exception of the Member-Guest tourney in September.

All twelve of them for 2010 are listed here.

2. We also hold a number of special events: Challenge Cup, Quad Cities, Singing Hills "Extravaganza," Summer Shoot-outs, away

tournaments and some in competition with golfers from other clubs. They're listed as well!

3. Pub Links and SCGA events are run by our handicapping organizations, the Public Links Golf Association and Southern California Golf Association (Affiliate Membership). We have room on this calendar to list only the events run by Pub Links or SCGA that LMGC traditionally participates in, so make sure to check out plga.org and scga.com for other great events conducted by these organizations!

4. We hold quarterly general membership meetings. They start at 7 p.m. and last 45 minutes to an hour, and they are a good opportunity to meet other members and find out more about

upcoming events. Please attend them and support the club! These meetings are listed in this calendar, but are subject to change. Your monthly newsletter The Wood will keep you informed about any changes. They are typically held on the Wednesday following a regular tournament.

5. In addition to the events listed, there's sure to be more added during the year. Please read your newsletter every month, because that's where we'll publicize any other fun stuff we come up with, plus we'll give you details and/or changes on all the events on this calendar.

6. We will be updating this calendar as soon as more information becomes available, please check the Web site at www.lakewoodmensgolfclub.com
